Capt. And Mrs. Waywell Given Farewell Party

It was with regret that the citizens in this area learned that Captain and Mrs. Waywell of the local Salvation Army Corps had been transferred to Aurora. During their three year stay in this community they have greatly contributed to this vicinity, and we can say without fear of contradiction that their shoes will be hard to fill.

The Canadian Legion of which Captain Waywell has served as Padre and the Legion Band which Mrs. Waywell has devoted much of her time and talents to, fittingly recognized their services on Tuesday evening. When they arrived at the hall for band practice the Legion members presented them with a substantial purse of money, flowers for Mrs. Waywell and she also was presented with a tartan purse and he with a tartan key case.

During the band practice a pause was called and the members of the Legion Band were joined by their wives and parents along with members of the Royal Canadian Legion, with Mr. Earle Casey acting as Master of

Ceremonies, who called Captain and Mrs. Waywell to come to the front and asked Reeve Roy Brohm to say a few words. The Reeve, speaking on behalf of the municipality, expressed regret regarding the departure from our midst of these fine Salvation Army Officers for the splendid contribution that they had made to this community during the past three years.

Mr. Earle Casey, speaking on behalf of the Band, spoke of the leadership that Captain and Mrs. Waywell had provided in assembling the band, and presented them with a purse of money. They were also presented with a lovely desk set by the Stinsons of Hall's Lake. We might say that in the long band history of Haliburton, Mrs. Waywell is the first member of the fairer sex to become a leader of the organization and the brief band concert they rendered for those present was concrete evidence that under her guidance the band had made fine progress.

Captain and Mrs. Waywell are holding their farewell service at 7:30 p.m. this Sunday evening.

Transport Truck Rolls Over

A Streetsville man escaped injury when the transport truck he was driving rolled on Highway 519 near Haliburton last Thursday morning.

Damage was estimated at \$1,300. Police said John Amann, 33, was northbound in a truck owned by Oshawa Wholesale Ltd. when the transport got too close to the edge of the highway and the shoulder gave way. The truck rolled, damaging both the tractor and trailer.

Minden O.P.P. Constable D. J. Watson investigated.

Foster Loucks Graduates

Mr. and Mrs. Vinton Loucks attended the graduation of their youngest son, Foster D., on June 2 at York University, Toronto, where he received an honour Bachelor of Arts degree. Foster attended public school at Minden, secondary school in Haliburton and plans to attend Queen's in September. Congratulations.

Scout News

The 7th Scout Group Committee presently have plans underway for the renovation, including a new floor surface, of the Scout and Cub Hall. Anyone wishing to assist in this worthy cause please forward any contribution to Mr. Earle Casey or Mr. Earl Shipley.

Falls Off Car

A 13-year-old Harcourt girl who fell off the hood of a moving car was treated and released from Haliburton Red Cross Hospital last Tuesday for cuts and bruises.

Minden O.P.P. said the girl, Evelyn Townsend, had been riding on the hood of a car driven by Terrance A. Stamp, 17, of Minden, when she fell off. The accident occurred in Harcourt about 12:30 p.m. on June 13.

Minden O.P.P. Constable D. J. Watson investigated.

Congratulations

Congratulations to Miss Peggy Walling on successfully completing her second year at York University, Toronto. Peggy is employed for the summer at the Royal Ontario Museum.

Dysart School Bd. June Report

On May 30th there was a meeting of the Dysart T.S.A. Board at Victoria Street School with Mrs. Stinson, Mrs. Watson, Mrs. Hobden, Mr. Salvatori and Mr. Max Archer attending. At this time Mrs. Francis Elstone was interviewed and hired to complete the teaching staff of Victoria Street School for the coming year. There was then some discussion regarding the repairs necessary on the school building for the coming year and the registration to date for next year's kindergarten. The Trustees then met with Mr. Bill Gliddon to settle any misunderstandings which had arisen regarding Mr. Gliddon's dramatic productions with the Lakeview School students. The Board has been extremely pleased with his efforts and arrangements were made to assure that Mr. Gliddon will definitely be able to continue to produce one musical production per school year with the students.

The regular monthly meeting of the Board was held June 15th at West Guilford School with all members present as well as Mr. Ward, the Inspector, and the four Principals. Applicants for the teaching staff at West Guilford were interviewed and Mrs. Evelyn Clifton was hired to teach

Grades 2 and 3. The Trustees discussed with the Principals the many repairs which must be completed on the schools this summer to ready them for the coming year. There was also lengthy and important discussion regarding Board policies affecting their staff and it has been decided that a policy book will have to be drawn up in the near future in co-operation with all of the teaching staff. It was reported by the two trustees from Stanhope that the Board has finally received permission to obtain some of the extra desks from the closed Upper Maple Lake School. There was also some initial discussion regarding religious instruction for Grades 7 and 8. There was also brief discussion regarding the possibility of needing a music teacher to replace Mr. Ralph Hussey in the event his health does not permit his return to teaching in Dysart. The Board accepted a tender from Newbatt's Plumbing and Heating for the installation of an oil furnace in the Eagle Lake School. With the many matters facing the Board it is obvious that extra meetings will be a necessity for the Board in the next month or so but the next regular monthly meeting will be July 20th.

Letters To The Editor

June 19, 1967

The Editor,
Haliburton County Echo.

Dear Mr. Feir:
From your issue of June 8th I quote "Educational costs seem to be completely out of hand." Unquote.

I guess this could be classed as an all time under-statement, but I congratulate you on your obvious concern for the taxpayers of this municipality, because of the astronomical increase in the 1967 taxes mainly due to the aforementioned costs of education.

The same article expressed amusement at the members of council being "raked over the coals" for something outside their jurisdiction. On the other hand, the 1967 tax bills have not provoked roars of laughter in any circles I know of, but instead much indignation, and in many cases out and out hardships.

May I suggest that the readers

of the Echo would, I suspect, appreciate your bringing the "power of the press" to bear on those directly responsible, for a published explanation of what has taken place.

It is the hope of the writer that this short note may "provoke" many other "kindred sufferers" to make themselves heard on this tax question, with a view to getting some detailed answers to which we are all rightfully entitled.

I feel confident that, as the publisher of the Echo and as a Centennial community service, you will wish to do what you can to bring this matter "out in the open" where it belongs.

In closing, if by chance this information has already been in the Echo, perhaps you would re-run it for the benefit of those of us who missed it.

Yours sincerely,

W. H. (Mac) McAllister
R.R. 2, Haliburton.

Pres. Of O.F.S.C. Visits H.H.S.C.

Mr. John Power of Midland, President of the Ontario Federation of Snowmobile Clubs, visited with the Executive Committee of the Haliburton Highlands Snowmobile Club on Thursday, June 15. The purpose of his visit was to find out what facilities would be available in this area as to the holding of the Ontario Snowmobile Clubs' Winter Jam-boree here in early January.

The main concern is the availability of accommodation for family groups of anywhere from 200 to 500 people.

The Committee went over the many crest designs submitted by contestants in the crest design contest, and decided on the one submitted by Dave Exley as the

best. The Haliburton Highlands Snowmobile Club now has some 40 paid up members and invites all snowmobile enthusiasts who enjoy snowmobiling in the area in the winter months to join us now for organized snowmobiling next winter.

\$250. Jackpot

Over 100 people attended the Bingo at the Legion Hall in Haliburton on Wednesday night. The Jackpot did not go.

Next Wednesday night 58 numbers will be called for the \$250.00 Jackpot. The money could go, so don't miss it.

HALIBURTON NEWS LETTER

Mr. and Mrs. Perc Bolender, accompanied by Mr. and Mrs. Karl Hadley of Sarnia who are visiting in this area, were in Creemore on Sunday and while there called on Mr. and Mrs. Harry MacBrien. As many of our older citizens will recall, Harry was the proprietor of what is now known as the Highlander Restaurant, and then he gave up the restaurant and went into the bakery business. Later Mr. and Mrs. MacBrien moved to Creemore to engage in farming. Harry

will, if spared, be 93 on June 28 and while not farming any more he has a garden at the back of his house. Needless to say, Mr. MacBrien was glad to see his old friends and talk over happenings in Haliburton, past and present.

The executive appointed by the Haliburton Businessmen's Association were not long in getting down to business. Already this committee have held two meetings and as one of their first

Estimates - Department of Social and Family Services

The estimates of this new Department were introduced by the Minister of Municipal Affairs because of the absence through illness of the Minister of Social and Family Services, the Honourable John Yaremko.

The estimated expenditures for this Department which was formerly known as the Department of Public Welfare are \$207,522,000 as compared with \$153,418,000 for the fiscal year just ended.

A sizeable amount of new legislation is in the process of being translated into operating programs to benefit thousands of Ontario citizens, for assistance to the municipalities, and for the numerous private social service organizations of Ontario. Some of the more important programs are described in the following paragraphs.

The approval by the Federal Government of the Canada Assistance Plan and the publication of the regulations in February, 1967, have enabled the Department to revise and extend our cost-sharing arrangements with Ottawa. Although the 50% sharing ratio is maintained, the federal subsidy now applies to a broader range of programs.

Family Benefits Act - The comprehensive maintenance allowances under the Family Benefits Act comprise the largest of the Department's programs. They will

account for about \$106 million in expenditures in the current fiscal year and represent a \$20 million increase over last year.

The new Act also will relieve the municipalities of a significant part of their welfare costs. The Province will generally accept cases likely to have a long-term need for assistance while the municipalities will provide for comparatively short-term and emergency situations. It is estimated that the Family Benefits Act may thus relieve municipalities of up to 25% of their case load.

Other New Welfare Legislation

Since January 1, 1966 under a change in the Child Welfare Act, the Province has paid 100% of the costs of care and maintenance for children of unmarried mothers who are a Children's Aid Society care. In addition, the Province has been paying 40% of all other costs of Children's Aid Societies while the municipalities have been paying 60%. Since April 1st of this year, the proportion has been reversed and the municipalities now pay 40%; that is a reduction of \$4 million from last year.

The new Day Nurseries Act will bring subsidies for municipally-sponsored nurseries from the 50% to the 80% level. It will also recompense municipalities at the higher rate for any expenditures they may make through agreements with private day

nurseries.

Interdepartmental and Advisory Committee on Aging - This Committee has been formed to co-ordinate the various programs, relating to older persons, which are carried on in the various departments and to advise on the implementation of the recommendations of the Legislature's Select Committee on Aging.

Capital Grants for Construction - In 1952, there was a total of 6,747 beds in public and private homes for the aged. As of April 1967, the total number of beds was 17,987. By the end of the year there will be about 19,000 beds; that is an increase of nearly threefold.

Since last year, we have doubled the amount of capital grants to organizations building group homes for people needing residential care. Under the Children's Institutions Act, the Homes for Retarded Persons Act, the Charitable Institutions Act, the provincial subsidy rate - which is not shared by the Federal Government - has been raised from \$2,500 to \$5,000 per bed. More than \$8½ million is included in the current fiscal year to cater for this building boom.

Rest Homes - The Homes for the Aged Act has been revised to include rest homes in the provision for capital and operating subsidies. A number of municipalities have begun active consideration of plans for those homes which will admit adults of any age. This will fill any gap that may exist in the range of institutions from chronic hospitals, nursing homes and homes for the aged.

Consolidation of Municipal Welfare Administration - Since February 1963, eight counties and five districts have unified the welfare services of their constituent townships, villages and towns. At least another four areas are expected to adopt the plan this year. That will mean fully one third of the administrative counties and territorial districts have, in five years, recognized and accepted the advantages of a unified welfare administration.

Training for Social Services - In the matter of training for the social services, Ontario has made a real breakthrough. With only two Schools of Social Work (at the University of Toronto and St. Patrick's in Ottawa), the numbers of graduating social workers jump from year to year and vocational courses are multiplying. A third School of Social Work at Waterloo Lutheran University opened last September. A fourth is projected at the University of Windsor. The Ryerson Welfare Services Course has been established and the Community Colleges are preparing to conduct full-scale courses. The Department of Education also conducts a Child-Care Workers Course.

The Minister concluded by praising the staff of the Department for their dedication, competence and diligence.

SUGAR AND SPICE

by Bill Smiley

IT GETS A FELLA DOWN

If you are about to enter an institution, it helps considerably to know the written and unwritten rules, what the grub is like, and what you can get away with.

As a 20-year inmate of that great institution known as Marriage, may I be of help to those thousands who are going to leap before they look, in this merry month of June?

In this particular institution, unlike most, the written rules are almost non-existent. Even the vows are delivered verbally. This, of course, is one of the great flaws in marriage.

In my opinion, no wedding should take place until both parties, in the presence of witnesses, have signed a written contract. During the drawing-up of the contract, every man should be represented by a lawyer who has been married for 20 years, every woman by her mother.

What a deal of heart-burning and soul-searching, recommitment and retaliation, such a document could prevent!

What would be in the contract? Anything you like: who handles the money; who does the dishes; who gets up with the baby; who gets out how many nights a week; how high the bedroom window is to be up; number of children. The possibilities are illimitable.

There should also be a clause stating that the whole contract will be reviewed and redrawn every two years. This would provide a regular and endless source of income for 20-year-married lawyers.

But let's get on. No matter how airtight the contract, it is the unwritten rules of the institution that will make you come up gasping for air.

For the men. Some things you should accept without question. First, you'll never win an argument, so don't argue. Just quietly admit you are wrong and then go ahead and do what you know was right all the time.

Second, she's going to make you a "better" man. Even though she thinks you're perfect on D-day, she'll soon find room for improvement. The only defence against this is passive non-violent resistance. My wife has been

trying to remold me for two decades, and I'm proud to say I'm not a "better" man than on my wedding day. In fact, I'm worse, as far as she's concerned. "Hopeless," is the way she puts it, and nowadays she tries to improve me only about once a month.

For the ladies. You, too, will find the unwritten rules work best, even though you have to make them up as you go. I could write a book of unwritten marriage rules, but will limit myself today to only a couple.

For example, the only way you're going to make the bum work hard and get a head in the world is to keep him constantly, and deeply, in debt. This is a cinch, in these days of easy credit.

Second, keep him on the defensive. About everything. Compare him aloud with your brothers, your father, your male neighbours. He'll feel guilty all the time, and you can make him jump to it like a trained chimpanzee.

For both sexes, a few general tips. Marriage, despite the women's magazines, is not a beautiful fusing of two minds, hearts and souls; nor is it simply a matter of give and take; neither is it a formula of sharing, of communication, of "talking things out." That's a lot of poppycock written by women who have been divorced twice.

Marriage is a ruddy armed truce, that's what it is. The only difference is that there are no Big Powers to get involved. If it turns into a cold war, or a hot one, depending on the situation, you have to fight it out for yourself.

After a few years, you get mighty good at skirmishing, advancing and retreating, consolidating your position, and setting up an ambush.

About kids. Have them early and have lots. After the first novelty of living with a strange woman (or man) wears off, it is in them that you will find your greatest joy — and sorrow. They keep you young. They drive you crazy and keep you from going insane.

Let's see, I think there was one other item. Oh, yes, the grub. It's usually pretty good, after the first year or two.

Bless you my children.

Hyland Crest Auxiliary Meet

The members of Hyland Crest Auxiliary met in the Craft Room of the Home for their regular meeting on Tuesday, June 13. The President, Mrs. Coburn, read the Auxiliary prayer and an appropriate poem.

Mrs. Stinson read the minutes of the May meeting and Mrs. Horsley reported on correspondence. The Treasurer, Mrs. Dollo, informed us that nearly \$100.00 was cleared from the Fun Party.

Mrs. Stevens would be glad to have help in the Tuck Shop. Crafts on Monday afternoons also need helpers.

Mrs. Bursey has signed up 75 members. She also reported on the purchasing of cups and saucers, plates, trays, etc. for the auditorium kitchen.

The Auxiliary members also thank Mrs. Stinson for her generous donations.

Bingo is being played Tuesday afternoons with the residents. The tea parties are held every week. Mr. Brubacher holds service in the Chapel on Sunday evenings.

Hyland Crest Home for the Aged is a busy place. If you have not joined in the activities, you are invited to do so. Also, we ask our summer residents of our beautiful Highlands to visit the Home and participate in the activities.

Remembering Dad

How well I remember my Dad. He was a good man with good hands that were always sunburned, cracked and sore from toil for his kids. Gentle hands that could remove splinters or wield an axe, capable hands that could handle tools and also doctor a sick cow or any other sick animal.

I also remember Dad's voice, a laughing voice full of fun, ready with a joke and teasing someone; a disapproving voice full of disappointment; a loud voice to express strong opinions anywhere; a loving voice full of appreciations and to make a boy feel warm inside.

I remember Dad's face, a jolly face when there was a practical joke to be pulled or a boy to be teased about his girlfriend. When there was a decision to be made or he had a newspaper in his hands, and a troubled face when funds were low and work was scarce and the kids needed things; an intent face when giving voice to convictions or giving a boy urgent advice on his start in life.

I can remember my Dad, his hands that could caress or chasten, a voice that could warm or chill, and a face that could be like a thunder-cloud or like a lovely sunset in the evening. That was my Dad.

IN MEMORIAM

BROOKING — In loving memory of a dear husband and father, Stanley A., who passed away suddenly June 24, 1966. Sadly missed along life's way. Quietly remembered every day. —By wife Vera and Family.

PECK — In loving memory of our dad, Frank, who passed away June 9, 1950.

So many memories silently kept, Of a loving father we will never forget;

For each of us you did your best, May God grant you eternal rest. Softly the leaves of memory fall, Gently we gather, treasure them all;

Some may forget now that you're gone, We will remember no matter how long. —Sadly missed by your Family.

PECK — In loving memory of our brother, Percy, who passed away June 23, 1965.

He bade no one his last farewell, He said goodbye to none; The heavenly gates were opened, A loving voice said "Come".

What we would give if we could say, Hi Perc, in the same old way; To hear your voice, see your smile,

To sit with you and chat awhile, So you who have a brother, Cherish him with care; For you'll never know the heart-ache,

Till he is no longer there. —Sadly missed by Sisters, Brothers and their Families.

Card of Thanks

I wish to express my appreciation and sincere thanks for the kind words, cards, letters and gifts sent to me. Most of all I want to thank those who took of their time to attend the Carnarvon School Reunion and my Retirement Reception. Especially do I want to thank Ruth Gorrie, Joan Fennell and the members of the U.C.W. who made the evening such a happy and memorable occasion.

Mr. and Mrs. Ernie Mintz and family spent the weekend at the Hanthorn cottage.

Mr. Lonne Hunter visited relatives over the weekend.

Mrs. G. G. Hadley is visiting her sister, Mrs. Ray Cotton Ripley.

Mrs. John Hallam is spending some time with the Morgans in Minden.

Miss Ruth Barr underwent a tonsillectomy operation at the Ross Memorial Hospital, Lindsay this last week.

The prayers of the village go with little Jackie McDuff as she goes to major heart surgery this week.

Mr. and Mrs. Willard Billings were in Lindsay last Thursday.

CARNARVON

On June 10th Mr. and Mrs. Wm. Chambers were hosts to Mrs. Chambers' parents, Mr. and Mrs. Jos. Gibbs of Peterborough, on the occasion of their 40th Wedding Anniversary, when all their children and grandchildren gathered at their home at Carnarvon. Some thirty altogether, including Mr. Gibbs' sister and husband of Peterborough. Their children attending were Mr. and Mrs. Don Gibbs and family of Camp Borden, Mr. and Mrs. Ray Gibbs and family of Foymount, Ont., Mr. and Mrs. Reg Gibbs and small son of Peel Village, and Mr. and Mrs. Laverne Cruickshanks and three daughters of Downsview. The family presented them with a gift of money. Most of their guests remained for the weekend.

Carnarvon U.C.W. met for their June Pot Luck Supper meeting at Glenroy Lodge. Visitors from Lochlin and Minden joined to hear Miss Mildred Herbert tell of her experience with Indians while working for the United Church in the Canadian Northwest.

Mrs. Phil Renouf and daughters are here for the summer months.

The community were sorry to hear of the death of Rev. David Staples' mother of Bobcaygeon. Their two sons, David and Peter, spent the weekend with the Ron Fennells.

Mr. and Mrs. Gordon Allcorn motored to Whitby on Wednesday afternoon on the occasion of Mr. and Mrs. Phil Allcorn's Wedding Anniversary.

Mrs. Estelle Ralph is at present in England.

Mr. and Mrs. George Christian have returned from a winter in Spain and will spend the summer in their cottage on Twelve Mile Lake.

The Afternoon Group of the U.C.W. met in the Christian Education Building on Thursday afternoon. Dorothy Thomson gave a very inspiring talk on "Faith, Hope and Charity". Visitors were Mrs. Sales and Mrs. Mason.

We are pleased to learn that Mrs. Ben Davis is much improved in health, but is still in the hospital in Minden.

Mr. Bert Harrison was inducted as an elder at the morning ser-

vice last Sunday.

Congratulations to Tom Harrison who was successful in getting his year at University, and is spending this summer with a firm of accountants.

Mr. and Mrs. Robert Cowan have purchased a mobile home which is situated in a pretty grove on what is known as "The Fulton Place" about a mile east of the village.

Mr. and Mrs. Fletcher of the Carnarvon Garage have also purchased a mobile home which is near their garage. We welcome them to our community.

Mr. and Mrs. Don Epps and family spent Sunday with Mr. and Mrs. Maurice Windsor. We are pleased to report Mrs. Windsor is getting along a little better these days.

On Saturday evening, June 17th a reception was held in the Christian Education Centre in honour of Mrs. Norman Brown, who is retiring from teaching this year. Letters were sent to Mrs. Brown's former pupils by Joan Fennell of Carnarvon School, some of whom she had had from Grade 1 to 8. It was a lovely social time for all as a lot of former pupils renewed their acquaintances with their school pals. The pupils not able to attend sent her letters and cards of congratulations. She received a telegram from a former pupil who is stationed in Yellowknife, N.W.T. and a telephone call from another pupil from Orlando, Florida.

A delicious repast was served by the ladies of the U.C.W. and tea and coffee was served by Mrs. Archie Stouffer and Mrs. Nelson Ward.

The tables were beautifully decorated by Sinclair Russell with white snowball flowers, oriental poppies, blue Iris and lilacs.

Neal Russell read portions of some of the letters received and also the cards, and Mrs. Brown was the recipient of many gifts. Every guest registered and there were 70 people present.

We all wish Mrs. Brown a very happy retirement and hope that she will have good health and a well deserved rest.

CHURCH NEWS

RUTH DRYDEN MISSION CIRCLE

On Tuesday evening, June 13, eleven members of the Ruth Dryden Mission Circle met together in the Lakeside Baptist Church for their June meeting.

The singing of the hymn "Brightly Beams Our Father's Mercy" opened the meeting, after which the President read the Scripture, Romans 16: 1-20, and led in prayer.

The minutes of the May meeting were read and adopted. The R.M. was called with the members answering with the name of a Home Missionary.

After the offering was taken the President gave the Offertory prayer.

It was decided Sunshine Cards would be mailed to Evelyn Connor, Mrs. Bee and Mrs. Howe.

A prayer session was observed after Mission Highlights, given by Wilda LaRue.

A Devotional was presented by Stella Walker entitled "Peace and Happiness", with her Scripture Reading taken from Matthew 6: 25-34.

The portion of the Mission Study "Facing The Future" was ably given by Edith Schram.

After a discussion on the final preparations for our Centennial Dinner on June 25, the meeting closed with the Mizpah Benediction.

Refreshments were served by hostesses Betty Salvatori and Ruby Roberts.

WILBERFORCE U.C.W.

The June meeting of the Wilberforce U.C.W., which took the form of a Social, was held in the home of Mrs. S. Mather, with eleven members and three visitors present.

The meeting opened with cor-

dial remarks by the President, Mrs. Smith, welcoming the guests and the Devotional period was conducted by Mrs. K. McAllister, with Mrs. D. Miller reading the Scripture passage.

The minutes were read and approved, and correspondence read, followed by the Treasurer's report.

It was agreed that the Memorial Service be held on August 13. The Treasurer was authorized to pay all bills and make donations to two charitable endeavours. Plans were made for pricing articles for the forthcoming Bazaar. A committee was formed to investigate the possibility of purchasing new doors for the church.

Mrs. Smith then adjourned the business meeting and introduced the guest speaker, Mrs. Anderson of Tory Hill. Mrs. Anderson gave a most interesting account of her recent trip to England and vividly described points of interest she had visited. At the conclusion of her talk Mrs. Anderson was presented with a gift and fittingly thanked by the President.

Mrs. Ruth Saunders was also the recipient of a gift, a silver cup and saucer, on the occasion of her 25th Wedding Anniversary. She was then asked to cut the delicious Angel cake made in her honour by the hostess, Mrs. S. Mather.

Following the Benediction and the blessing, refreshments were enjoyed and the ladies took advantage of the opportunity to question Mrs. Anderson about some of the places she visited.

Husbands! Wives! Get Pep, Vim; Feel Younger

Thousands of couples are weak, worn-out, exhausted because body lacks iron. For younger feeling after 40, try Ostrex Tonic Tablets. Contain iron for new pep, vim; plus supplement dose Vitamin B₁₂ in a single day. Ostrex supplies as much iron as 16 doz. raw oysters, 4 lbs. of liver, 16 lbs. of beef. "Get acquainted" size costs little—only 60¢. Or get Economy size and save 75¢. All drugstores.

Three Reasons Why Potatoes Get Dark

EDMONTON (CP) — Ever wonder why potatoes sometimes darken during or following cooking? There are three reasons, says Dr. W. P. Skoropad, Professor of Plant Pathology at the University of Alberta.

One type of discoloration is caused by the release of enzymes from potato cells. Since these enzymes remain active only until the temperature reaches 158 degrees, darkening can be avoided by rapid heating.

A second type of discoloration is caused by the chemical reaction of cooking heat and sugar and amino acids in the potato. This darkening can be minimized if potatoes are stored in warm areas. When they are kept in cold temperatures, potatoes tend to form excess sugar, Dr. Skoropad says.

The third type of discoloration is a bluish-gray that occurs when cooked potatoes are left exposed to the air. This type of discoloration does not affect the flavour or nutritional value.

The cause of the darkening can be one of a combination of several factors, including variety of potato, atmospheric temperature during the last few weeks of growth, and the ration of potash to nitrogen in the soil.

Two Applications For M.O.H. Job

LINDSAY (ENS) — There have been two applications for the position of Medical Officer of Health for the joint Victoria-Haliburton Counties Health Unit. It was disclosed last Thursday.

The Unit was supposed to have gone into operation on July 1, but because of the difficulty in finding an M.O.H. it is anticipated the Unit will not now become operative until September.

Victoria County Council is scheduled to discuss the matter at its June session.

Let me explain... Confederation Life's disability benefit

Time off from work, through disability, is no laugh. In fact it's downright unpleasant. There are mounting bills for medical services and medicine, worries over the cost of day-to-day living without an income, and uncertainty about the future. At a time like this, you need a special kind of help - financial. With a Confederation Life Disability benefit you can replace part of your lost earning power. For more complete information on this, and other Confederation Life policies, telephone me or mail the coupon. I will welcome the opportunity to talk them over with you, in your home or office.

To Our Bus Driver

Please accept this little gift with our fond affection, And think of us, and admire our perfection. Remember the morning your temper caught fire? When I said, "Do you know, Ted, you have a flat tire?" You got back in the bus, half in a rage, And you never spoke to me for about two days.

Then the time L.W. and I were making a noise, And you made me go back and sit with the boys, She cried and bawled, and looked at her feet, And sweet little L. remained in her seat, But when I sat with Basil I had a ball, I didn't want to go back to my seat at all.

Now this is Bob, I must have my say, I went with you for twelve years and a day, Through snow and mud, rain and slush And Chesty (me) had to push the bus. But I knew how, I was always alert, Of course, I was guided by your son Albert.

So thanks, Ted, for everything both good and bad, When one finishes school it is a bit sad; You are out on your own, this old world to face, And you join what is known as the rat race. So maybe some day, when you quit driving the bus, You'll look at a picture of cows, and then think of us.

Thanks, Linda and Bob.

MAPLE LAKE

(Intended for Last Week)
Miss Lou Bright and Mr. and Mrs. Frank Bright are now at their cottages for the season. We see many busy folks at their cottages over the weekends. Paint brushes, ring of saws and hammers and the drone of lawn mowers all add to the beauty of Maple Lake. We especially noted the lovely picket fence at the Burden property.

The old S.S. No. 5 School House which is now known as the Stanhope Municipal Office has taken on a modern look. It is most attractive inside, so be sure to visit it when opened.

Mr. Napier Simpson is having some road work done to Blagdon Hill.

The Brown Camps folks are employing several local people in the preparation of their local property and homes in the district.

Messrs. Ed and Walter Hopkins of Peterborough spent a week at the Fountain home.

Mr. and Mrs. Willbert Worsley, old time friends of all old age pensioners, were at their cottage over the weekend.

Laid to rest last Monday in St. Peter's Cemetery was one of Maple Lake's grandest pioneers, a friend to old and young. We will remember his good human nature and kindly remarks, and his musical ability as he entertained at many social functions in the community. I am sure all who had the pleasure of knowing Mr. Howard Thompson will have many lovely memories of this kind old gentleman. Many from far away, as well as local, paid their last tribute while he rested at the Welch Funeral Home.

Mr. and Mrs. Cecil Johnston were visitors to Peterborough. Mr. Johnston is much improved in health lately.

The Maple Lake Telephone Exchange has closed its doors, as the dial system has all been installed, taking in Hall's Lake, Boskung, Carnarvon and as far south as Mountain Lake Road into the West Guilford Dial Exchange.

Congratulations to the newly-weds of the community.

Mr. and Mrs. Robert Cowen are the proud owners of a new mobile home.

The old Norman Harrison house is seen getting a facelifting job; an added attraction.

The weatherman has sure handed out a bad spring, with first cold and frosty nights and now continual rain. Some folks are finding it hard to get their crops planted, and the wet weather doesn't help the fly situation with black flies and mosquitoes being dreadful again this year so far.

WILBERFORCE

Patsy Watson, daughter of Mr. and Mrs. Lloyd Watson, is being married in July at Essonville (Anglican) Church. This is one of the oldest churches in the area and should prove a very beautiful setting for the ceremony.

The Monmouth Municipal Arena is getting a spring clean up. I was in there last week and found Percy Tighe busy painting the cafeteria and repairing the benches. He is also going to make new steps up to the Municipal Offices and I suppose they need them to take care of all the weary people wandering their way up with the heavy taxes.

Did you ever try to find your way through unknown roads to a sight unmarked? This is what happened to two men (Walter and Irvine) who set out from Toronto to build a cottage on Otter Lake. They had a good trip up and eventually arrived at Wilberforce, so not being sure of their final destination they went into the Red & White Store to check. The name they had was not known, so Mr. Gary Agnew very kindly made a few phone calls to try and find out where to send them, but without success. He advised them to go and see Mr. Art Saunders who, he said, knows all the people on the lake. Unfortunately this was the day Mr. Art Saunders had decided to go down the lake, so they drew a blank there. Nothing daunted, they set out on their travels, first they took the road down to the lake. On and on they went and arrived at the road leading down to what was once Cook's farm, right down to the end and found the lake alright, but the only person there didn't know about the new cottage to be built or the name. So back again they came, up Vinegar Hill, over the bridge again and saw a sign "Sunset Cottages" so along they went and arrived at the Hallett cottage. A lady there didn't know the name but kindly offered our two weary travellers a cup of coffee, so on they went down the new road on the south side of the lake, up one hill, down another (on one hill they said you need hinges in the middle of the car so that you can navigate), right to the end of the road and still no luck. By this time the gas in the car running low and they had visions of walking back to get gas but made it back. They decided to go back to see if Mr. Saunders had returned, (he was late getting back because his motor conked out and they had to row), but by the time they arrived there he was back, and at first he didn't know where the cottage was to be but looked it up in his book and was able to direct them to the site, four miles from his garage. The boys had traveled 38 miles to go four. The moral of this story is always give explicit instructions where to go and always have your name marked plainly on the road leading to your site.
